## **ABOUT THE FOUNDER**

**Shri. Mannathu Padmanabhan**, the peerless leader of Nair Community, the immortal founder of the Nair Service Society and the great social reformer was born in the closing decades of the 19<sup>th</sup> century in Perunnai, a village in Changanacherry taluk of the erstwhile state of Travancore as the son of middle-class parents. Abject poverty, misery and deprivation marked the early years of his life. After school education he became a teacher and then a pleader. Before long he found himself drawn into the vortex of political and social movements. The plight of the Nair Community that was witnessing its own decadence and disintegration, precipitated by extravaganza, superstitious veneration for antiquated and anachronistic customs and tradition, filled him with anguish. He marshaled his skill and organizational ability to motivate, inspire and mobilize the community that was lost in a long and deep slumber. The Nair Service Society which he conceived, nursed and nurtured epitomized the hopes and aspirations of the community which had been waiting for a saviour.

Mannam's personal life was inextricably intertwined with the history of the N.S.S. He travelled extensively through the state, met the people, organized them and won their love and regard with the help of his disarming simplicity, single-minded devotion, will and determination. Impregnable fortress of superstition and formidable citadel of resistance crumbled before his all-conquering and awe-inspiring personality. Gradually he built an empire out of nothing. The prestigious institutions founded by him would perpetuate his memory. Captivated by Mahatma Gandhi and his principles of Satyagraha, Mannam led a Satyagraha march called "Savarnajatha" for the sake of the untouchables. It ultimately led to the "Temple Entry Proclamation". The dynamic roles he played in the "Vaikom Satyagraham" and in the independence struggle and his subsequent imprisonment and his initiatives aimed at communal harmony, peace and social changes turned him into a legend in his

life time. The major milestones in the history of the N.S.S intersect the social, political and cultural history of Kerala. Mannam passed away at the ripe age of 93. The story of his life is the stuff, fairy tales are made of. The touch of his magic wand revived and resurrected the entire community. He taught them the philosophy of action, the value of unity and above all the need to change. His legacy is undiminished by passage of time. He lives through generations.

The UG programme shall include five types of courses, viz; Common Courses, Core courses, Complementary courses, Open Course and Audit courses.

#### **Credit & Grade**

Credit of a course measure is measure of weekly unit of work involving lecture or laboratory sessions or seminar or similar activity designed for the course. Each credit hour is roughly equivalent to one hour of class per week in a semester. 'Grade' indicates the level of performance of a student in a course

#### **Grade Point**

### **Sexual Harassment**

Kerala has high female literacy rate, high enrollment and low dropouts from schools, low infant mortality rate, high sex ratio, higher age at marriage, long life expectancy and low fertility for women. At the same time, violence against women has also been increasing. It would appear as though women are no safer anywhere and they have to be always alert against harassment. The Supreme Court judgment provides a definition of sexual harassment. According to this; sexual harassment includes any unwelcome sexually determined behavior whether directly or by implication as

The special women cell acts as a watch dog of ICC and ensures timely report of such incidences. It also organizes gender sensitization programmes in the campus.
